Sunscreen Permission Slip

Recent changes to the Colorado Department of Human Services Rules and Regulations for Early Childhood Centers, Office of Early Childhood, highlights the importance of using sun protection. In order to ensure the health and safety of all children, The Evergreen Park & Recreation District must immediately comply with the Child Care Licensing Rule 7.702.52 as stated below:

7.702.52 D-2 Sun Protection
The center must apply sunscreen, have the parent or guardian apply sunscreen, or use another form of parent or guardian approved sun protection for children prior to children going outside. Sunscreen must be reapplied as directed by the product label.

Please return the revised permission slip stating the expectations for parents and guardians. We appreciate your assistance during this implementation.

Best Regards,
Recreation Supervisor - Children's Program
