

EPRD Pickleball

Program Info

EPRD offers open Pickleball play on 3 courts at Wulf Rec Center. Check the current Pickleball schedule for days and times available. Facility admission is required such as annual pass, punch card, daily drop-in and silver sneakers. Open play may be limited or canceled on days that Jeffco schools are not in session or when other EPRD programs and events are taking place. EPRD also provides outdoor courts and nets at Marshdale Park. Contact EPRD for access to the storage box. For outdoor play, players provide balls and paddles.

Levels of Play

- Recreational- for less experienced or new players looking for fun, exercise and relaxed setting.
- Competitive- for more experienced and skilled players looking for fun, exercise and more competition.
- Mixed- open to all levels.
- Beginner- for new players to learn rules and work on basic shots.
- Drills- for players to practice shots and refine technique.
- Players may self-select the appropriate level of play. Please make sure that you choose the level that will best fit for you and others.

Guidelines for Play

- Regular scoring is standard across the U.S.
 - When there are 8 or fewer paddles down (people who are waiting) regular IFP scoring is used with 11 points winning (win by two).
 - When there are more than 8 paddles down on the floor, scoring changes to 9 points (win by one).
- Stacking of paddles is permissible and encouraged. However
 - If there are less than four paddles in front of a stack, the number of paddles behind the stack needed to complete a foursome moves to the front and that group goes out on the court first.
 - If there are not enough paddles down behind the stack, players coming off the floor will fill out that group.
 - In the event that there is an empty court AND there are 3 or less single paddles followed by a stack of 4, AND the scores on the two occupied courts are 5-5 or less, the stack may take the free court first.
 - This is a social group, so in the event of stacking, please allow others to rotate into your group.

If you have questions or would like to be added to the Pickleball email list, please contact Jeff Sweet at 720-880-1221 or jsweet@eprd.co
