

MEMORIAL BENCH PROGRAM

EVERGREEN PARK & RECREATION DISTRICT

Evergreen Park & Recreation District (EPRD) offers you a unique opportunity to memorialize special individuals or to celebrate events such as birth, weddings, anniversaries, and community service. You can make a meaningful and useful donation to the community while also making a lasting tribute to a person or event.

There are several bench locations throughout the community including Graham Park, Stagecoach Park, Kittredge Park, Arrowhead Park and Marshdale Park. Currently, all of our bench locations are allocated for at Evergreen Lake. For a list of available benches, please see our Memorial Bench Map at www.evergreenrecreation.com. A representative from EPRD's Park Operations staff will also meet you at one of our parks to review the benches available.

It generally takes 2-4 weeks to order a plaque. You are allowed four lines of information engraved on the plaque. Plaque size is 5" width x 3" height. EPRD will work with you to make sure all information conforms to EPRD's plaque guidelines.

Memorial benches are owned and maintained by the District. Minor vandalism will be removed or re-painted. If the plaque is destroyed beyond the District's control, the District will make every effort to replace the damage item, but this is not guaranteed.
