LATE REGISTRATION

Evergreen Park & Recreation District asks that you register your child the Monday, one week prior to the date of needed care. For example, register on 8/26 for the week of 9/6. **Any registration after the prior Monday is considered a late sign-up/drop-in.** There is a \$5 late fee for any late sign-ups or drop-ins. This fee will not exceed \$20 per family for the **week**. Please select days carefully! We do not allow refunds. If your child(ren) is registered for a certain date, they are taking a spot that could otherwise have been filled. We do not allow exchanging days. If you cannot attend that day, EPRD cannot exchange for another.

Evergreen Park & Recreation District requires payment a week in advance to better plan and staff our program to ensure that EPRD provides a safe and fun environment for you child(ren). Failure to make payments prior to the beginning of the session may result in the withdrawal of the child(ren) from the program until all program fees are paid in full!

EVERGREEN PARK & RECREATION DISTRICT CHILD/YOUTH PROGRAMS APPLICATION 2019-2020

All sides of this form must be **COMPLETED AND SIGNED** before the child may attend.

DISCIPLINE POLICY & PROCEDURE

In order to make the Children's Programs at Evergreen Park & Recreation District positive experiences for all children, we ask that these basic rules be observed:

1. Keep yourself safe.
2. Keep others safe.
3. Keep supplies and materials safe.

When a child does not observe the expected guidelines, the staff will engage in the following preventative steps:

1. Verbal Prompting: to inquire about the child's emotional state, offer support and diffuse the child's anxiety (i.e., "Are you okay, you seem restless, can I help?").

If this step is unsuccessful in diffusing a child's anxiety and their behavior continues, a request will be made by the instructor for the behavior to cease (i.e., "I would appreciate it if you would be quiet while I give instructions.").

2. Set Limits and Consequences: to give the child a choice and put the responsibility on the child for his/her own behavior (i.e., "We would like for you to stay with the group if you can remain quiet while I give instructions.").

If the child chooses to test the limits at this level then the instructor will follow through with the consequences. The consequences offered in step two may consist of either removal from the group and/or activity, completion of a written or oral assignment, or other appropriate consequences. At this point the behavior and consequence will be logged and direct or written parent communication will occur.

3. Communication: prior to re-entry, this step will allow the child an opportunity to "regain control" after a period of extreme anxiety and build rapport with staff. At this point, staff will discuss the behavior and consequence with the child and seek out an outcome that will be beneficial to child, staff, and program (i.e., "Do you understand the consequences for your behavior and how can we keep that from happening again?").

If the process is not successful, the child may revert to the first stage the steps may recur. If this is the case, the steps must be followed and parent communication must occur in the form of a DISCIPLINE/INCIDENT FORM (that must be signed by a parent/guardian).

If the child does not respond to the preventative measures, the following progressive discipline steps outline the actions that will be taken:

1. At the time of the **first DISCIPLINE/INCIDENT FORM**, telephone or direct communication with the parent/guardian will occur. At this time a meeting will be scheduled with the child, parents and/or guardians, and staff to inform them of the child's behavior and involve them in a problem-solving strategy that is appropriate for their child.
2. At the time of the **second DISCIPLINE/INCIDENT FORM**, a loss of privileges will occur such as suspension from the program for a day or week, or the loss of the opportunity to participate in a field trip. A phone call or direct communication with parents/guardians will again occur, to ensure that they have knowledge of the imposed consequence.
3. If the child's behavior continues to be a problem, the decision will be made to expel the child from any Community Recreation youth program. This would occur upon the receipt of the **third DISCIPLINE/INCIDENT FORM** and would again be accompanied by direct or telephone communication with the parents/guardians.
4. If at any time, a significant or major issue occurs, which endangers the child, other participants, or staff, immediate withdrawal from the program will ensue.

Additionally, if at any time a child leaves the immediate program area in anger or for any other reason, a reasonable attempt will be made to stop him/her. If they continue to flee, 911 will be called and the child will be reported as a runaway. Parents will be contacted. This behavior will result in a DISCIPLINE/INCIDENT FORM, and the appropriate consequences will occur.

**I understand that this policy will be reviewed at the site with my child.
I myself have read and understand the Discipline Policy and Contract.**
