Levels of Play

- **Recreational**- for less experienced or new players looking for fun, exercise and relaxed setting.
- **Competitive**- for more experienced and skilled players looking for fun, exercise and more competition.
- **Mixed**- open to all levels.
- **Beginner**- for new players to learn rules and work on basic shots.
- **Drills**- for players to practice shots and refine technique.
- Players may self-select the appropriate level of play. Please make sure that you choose the level that will best fit for you and others.

Guidelines for Play

Regular scoring is standard across the U.S.

- When there are 8 or fewer paddles down (people who are waiting) regular IFP scoring is used with 11 points winning (win by two).
- When there are more than 8 paddles down on the floor, scoring changes to 9 points (win by one).

Stacking of paddles is permissible and encouraged. However

- If there are less than four paddles in front of a stack, the number of paddles behind the stack needed to complete a foursome moves to the front and that group goes out on the court first.
- If there are not enough paddles down behind the stack, players coming off the floor will fill out that group.
- In the event that there is an empty court AND there are 3 or less single paddles followed by a stack of 4, AND the scores on the two occupied courts are 5-5 or less, the stack may take the free court first.
- This is a social group, so in the event of stacking, please allow others to rotate into your group.

Pickleball Outdoor Courts

- Please review the Marshdale Court Reservation Procedures and Rules below for more info on court reservations
- To access the Marshdale Pickleball Court schedule, click on www.teamsideline.com/evergreenrecreation. Select the "Locations" tab at the top and scroll down to "Pickleball Courts"
- Except for specified reservation dates/times, all other times are open for drop-in play, unless EPRD programs or classes are scheduled
- EPRD does not manage level of play, but recommends participants divide themselves by ability and by court. EPRD does not provide balls or paddles for outdoor play.
- There is a notebook with daily sign-in sheets in the box at Marshdale. All players should sign-in before playing
